leave Me free to do My Will, come let Me
clarify how I work ♡ I have given you
many graces Vassula, but I want you
to acknowledge My graces, delight Me
and believe in Me more o I'm fearing that
if I displease You, You might take away these graces...
why should I withdraw My graces? because
if I don't improve and don't follow in time You might
take them away.
no, never! to me it seems
right, to take away if one does not please You.
it seems right in your eyes, child, until
I come to deliver you, I will feed you,

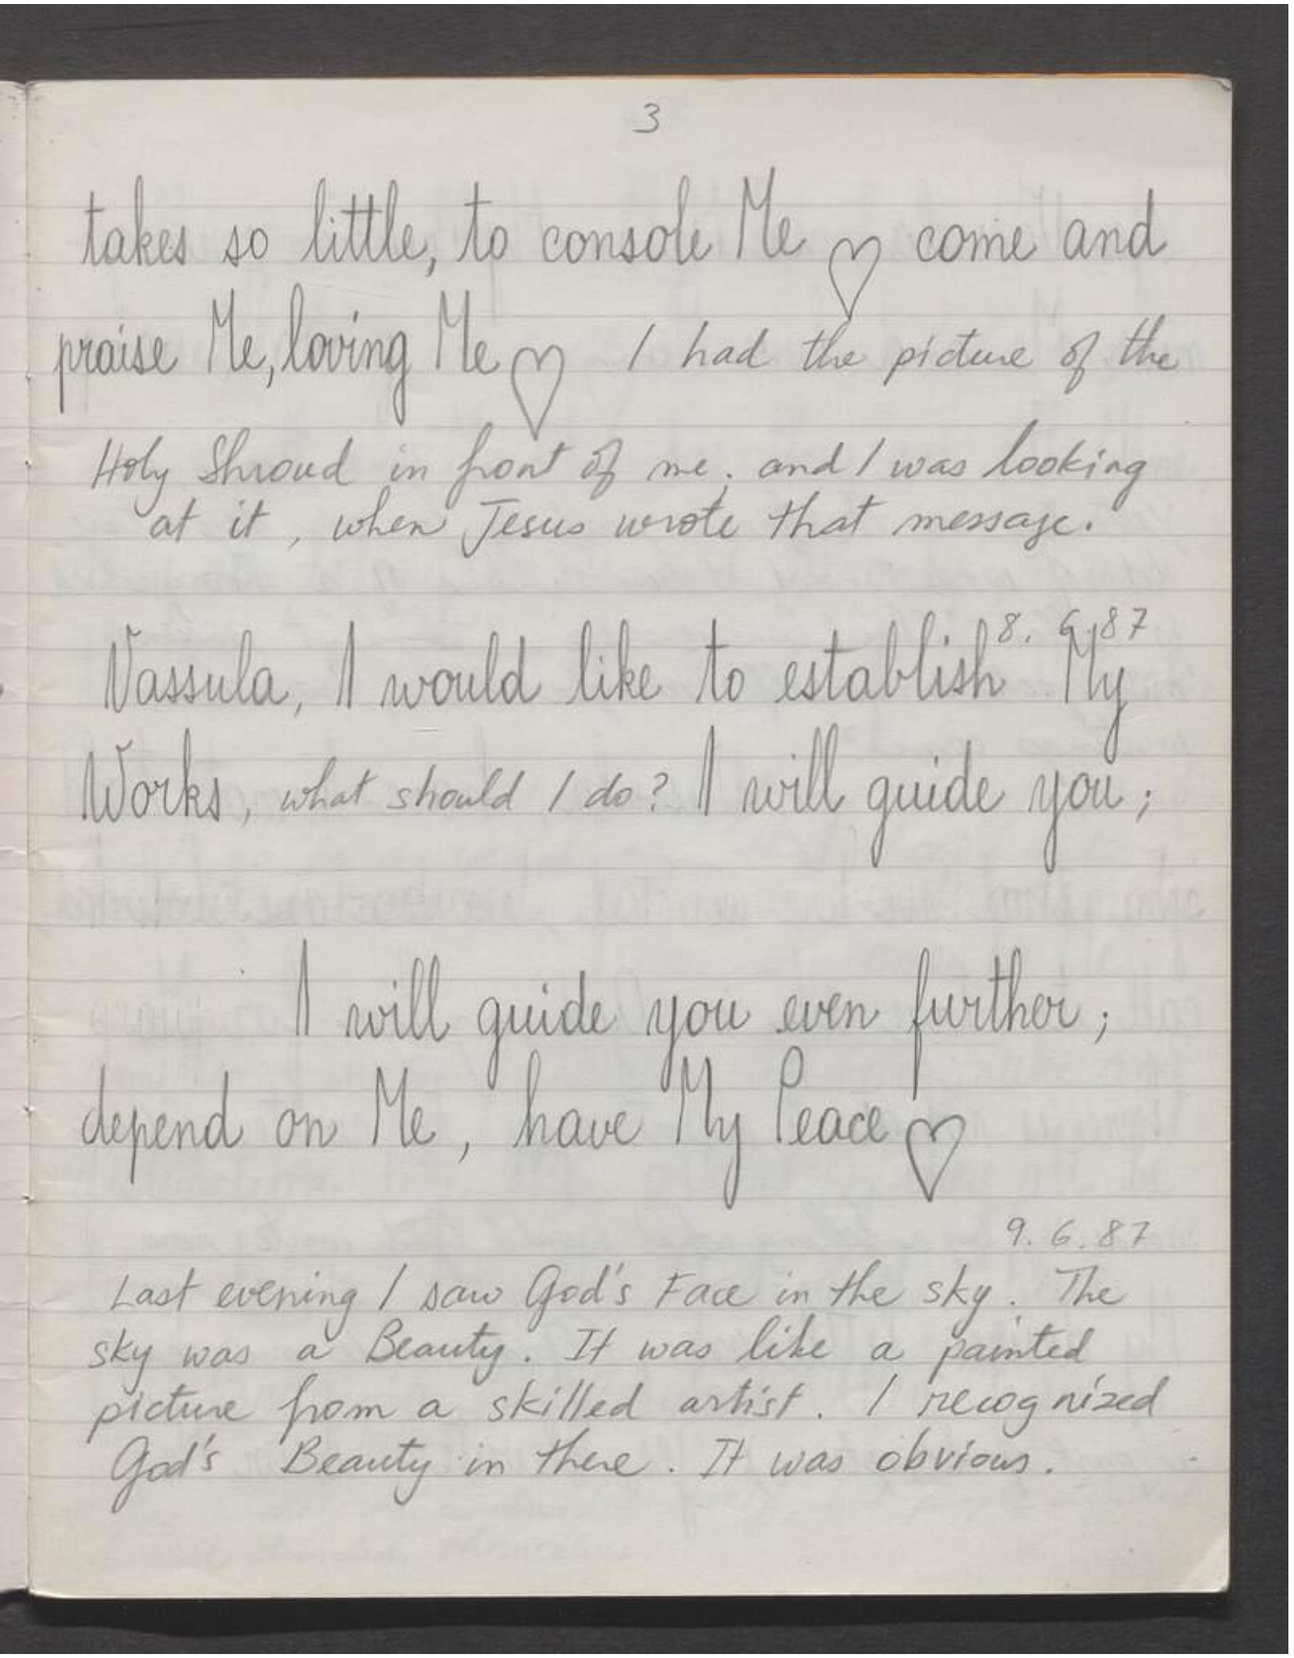
Vassula, yes, look into My Face ♡ to have
seen Me, consoles Me, tell them, that it



takes so little, to console Me ♡ come and
praise Me, loving Me ♡

I had the picture of the
Holy Shroud in front of me; and I was looking
at it, when Jesus wrote that message.

Vassula, I would like to establish My
Works,

what should I do?

I will guide you;

I will guide you even further;
depend on Me, have My Peace ♡

9.6.87

Last evening I saw God's Face in the sky. The
sky was a Beauty. It was like a painted
picture from a skilled artist. I recognized
God's Beauty in there. It was obvious.

Yes Vassula, see Me in My Creation, recog-
nize Me and love Me ♡

Dhaka, 10. 6. 87
Yesterday was the final packing for our departure,
lots of work! Lord, I was thinking of a theory which
is called, 'Christ Consciousness', I think it means
'our good inner self' maybe this is how the
writings come?

♡ Vassula, have I not told
you that we are united, we are one, beloved,
call it: 'true life in God', ♡ live for Me o
here is what I want you to write (I was
wondering by a feeling what would God write now...)
My desires, little one, (God made me read
a part of Scriptures) Yes, elevate, hear Me:

will you see Me in My Church? Vassula,
come to Me o Which Church Lord, which do You

they all belong to Me and Me only, I am
the Church, I am the Head of the Church o

lamed ♡ millstones have damaged My Body ♡♡ My God, You seem so upset!! upset? O Vassula, why, why have they cruelly dismembered Me? ♡♡ God is very upset. He reminds me of the time He went and overturned all the money-makers' tables in the Temple in Jerusalem. So far I never heard or saw Him SO UPSET! Vassula, Jesus? I am, is that You really so upset? O yes, it is Me, O yes, I finally can place My words on you; Vassula, charisma is not given to you for your interests, it is given to you so that My Words be engraved on you.

I have never felt You so upset before ! are You ?

I am , My Body aches, It has been torn
apart ♡

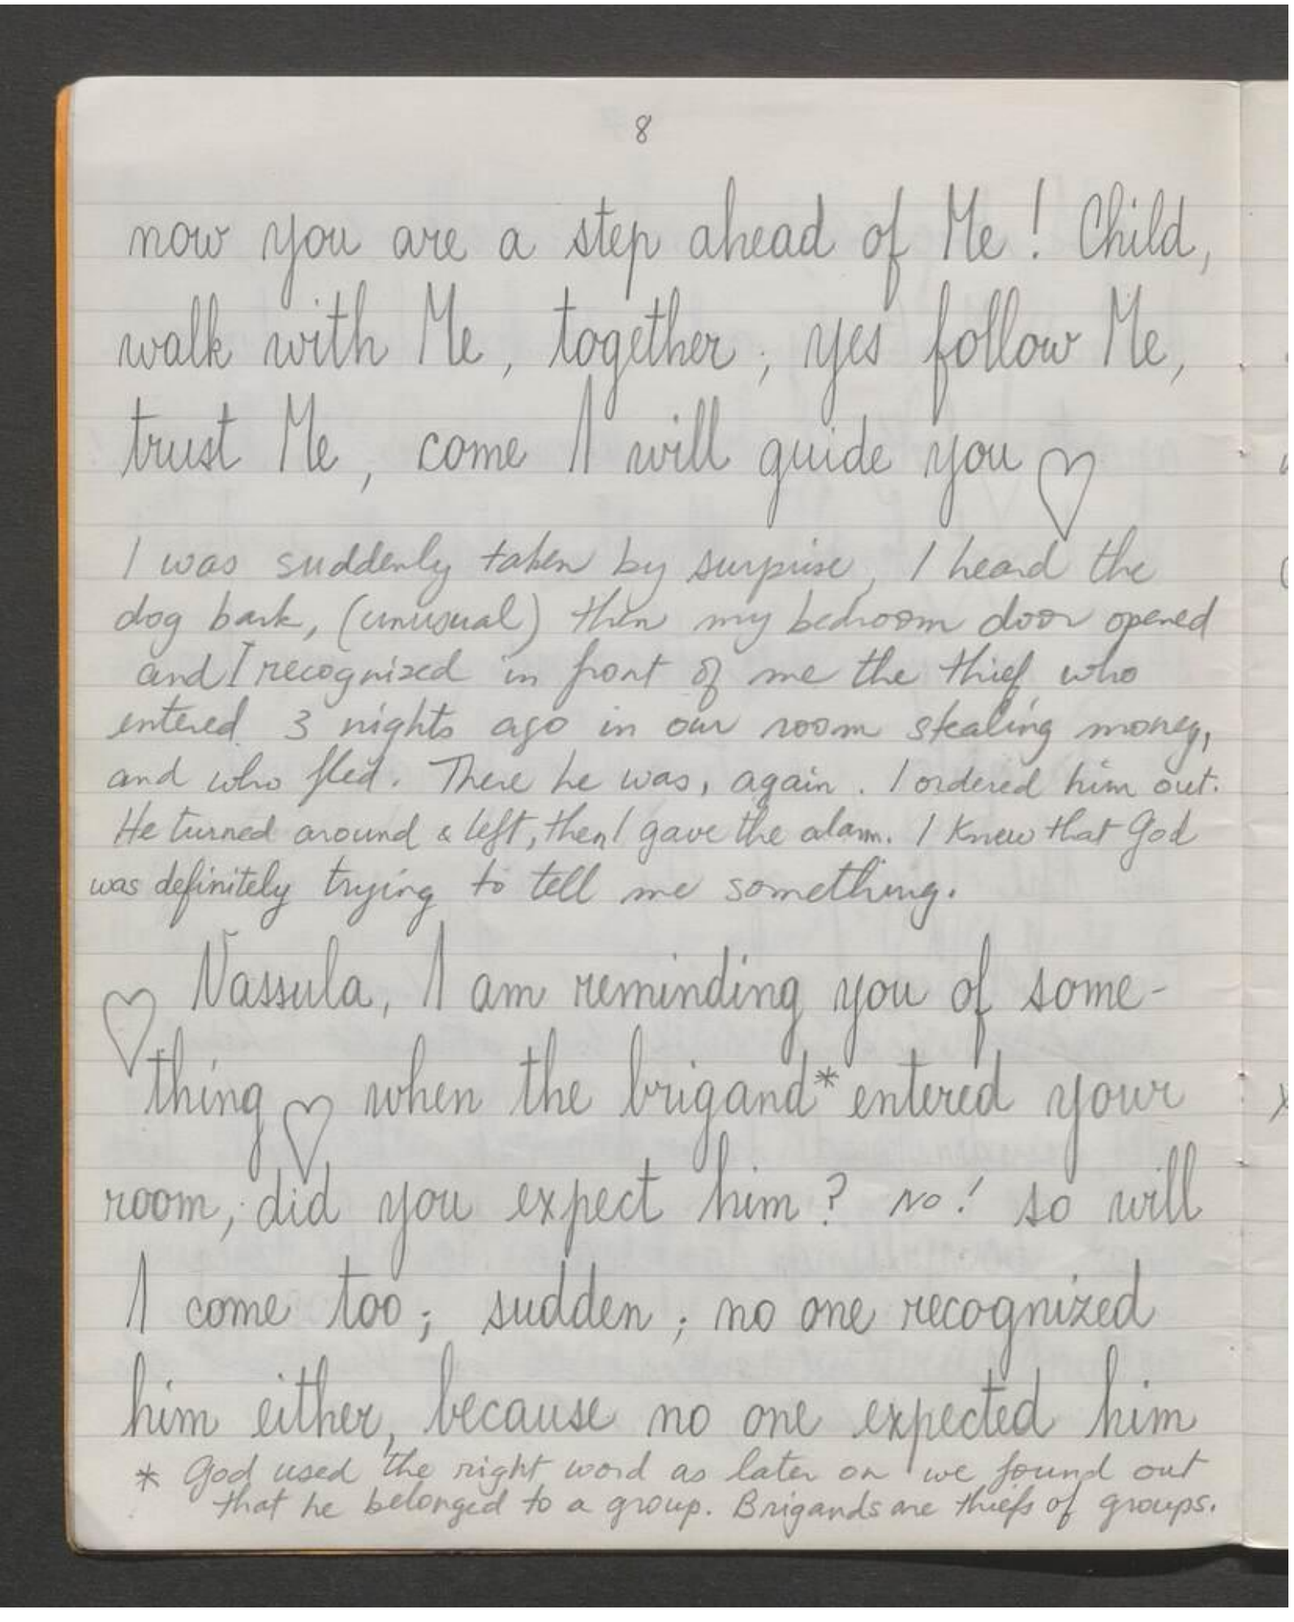
My God! but what can I do? I'm helpless!

do I not know all this, Vassula ? I
shall use you till the end ♡ never fear
Me daughter; uniting My Church will
be the Glory of My Body ♡ have My
Peace, beloved,

Yes Lord, I won't look left, or
right or behind I will look straight ahead.

yes, understand how I work, be still like
now, be willing to please Me, be One
with Me,

Lord, suppose the one's You want them
to listen, do not ? Then ?



now you are a step ahead of Me! Child,
walk with Me, together; yes follow Me,
trust Me, come I will guide you ♡

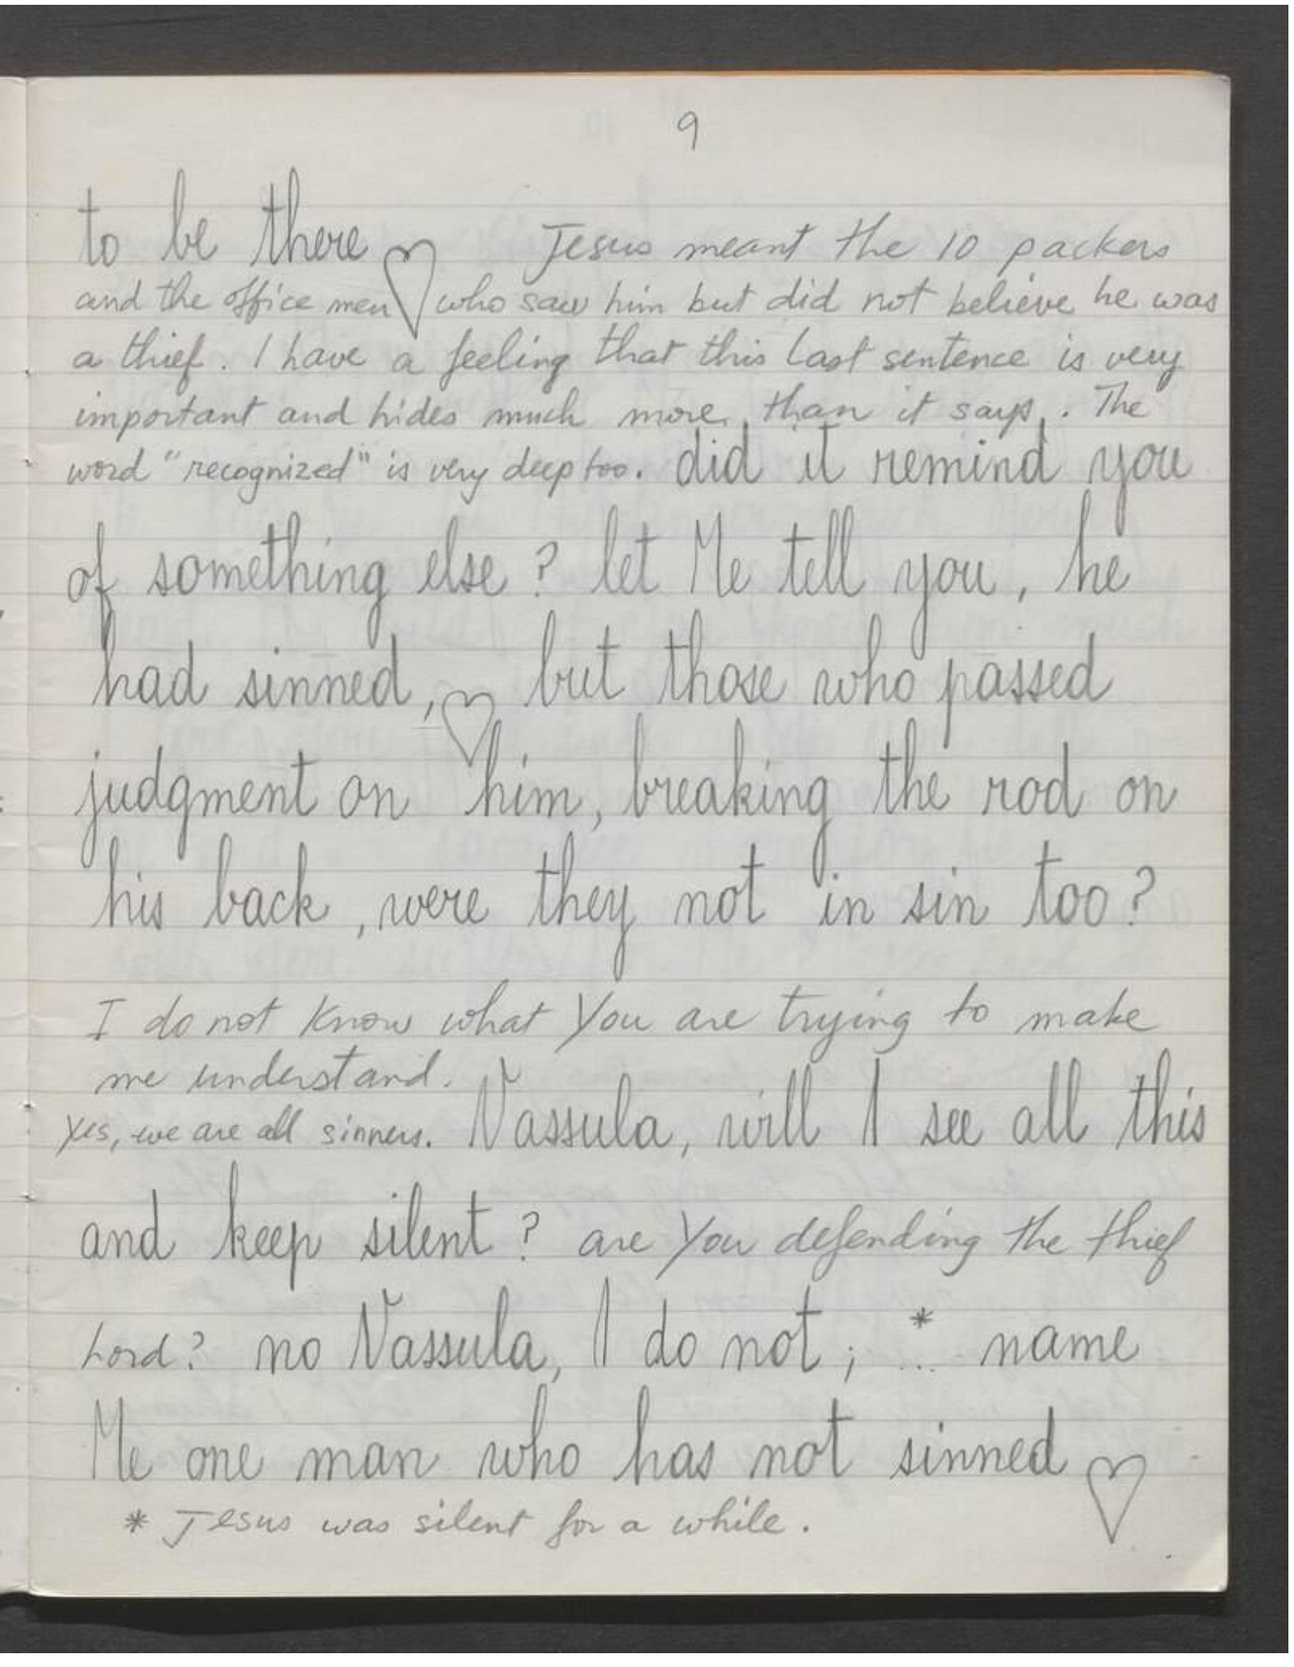
I was suddenly taken by surprise, I heard the
dog bark, (unusual) then my bedroom door opened
and I recognized in front of me the thief who
entered 3 nights ago in our room stealing money,
and who fled. There he was, again, I ordered him out.
He turned around & left, then I gave the alarm. I knew that God
was definitely trying to tell me something.

♡ Vassula, I am reminding you of some-
thing ♡ then the brigand* entered your
room, did you expect him?

No!

so will I come too; sudden; no one recognized
him either, because no one expected him

* God used the right word as later on we found out
that he belonged to a group. Brigands are thiefs of groups.



to be there ♡

Jesus meant the 10 packers
and the office men who saw him but did not believe he was
a thief. I have a feeling that this last sentence is very
important and hides much more than it says. The
word “recognized” is very deep too.

did it remind you
of something else? let Me tell you, he
had sinned,♡ but those who passed
judgment on Him, breaking the rod on
his back, were they not in sin too?

I do not know what You are trying to make
me understand. yes, we are all sinners.

Vassula, will I see all this and keep silent?

are You defending the thief Lord?

no Vassula, I do not;*
name Me one man who has not sinned ♡

* Jesus was silent for a while.

(I can't think of any.) big sins, small sins,
all are sins, to sin is to grieve Me ♡.
Vassula, I am witnessing so many sins,
Love is suffering, Love grieves, grieves o
... creation! My creation ♡ return to
Love ... daughter, imbue Me with love,
amend beloved, amend ♡♡

11.6.87

By now most of our furniture gone I have to look for
chairs to sit to write, the house still messy after
the packers left, heaps of papers here and there
shoes, bottles, papers, belts on all desks. Yet in
all this, moving, among the buffets we had to
prepare for farewells (one of 80 people) (another 30)
God's hand did not release a bit, I always
found time for Him to write 2-3 hours daily.

He gives me incredible strength and don't feel the least tired, I'm in total peace, His Peace.

Vassula, beloved of My Soul, stay near Me, face Me, let My finger touch your heart, My child, if you knew how much I love you ♡ I will guide you till the end o sacrifice more for Me; - will you suffer for Me? Hong-Kong 15.6.87

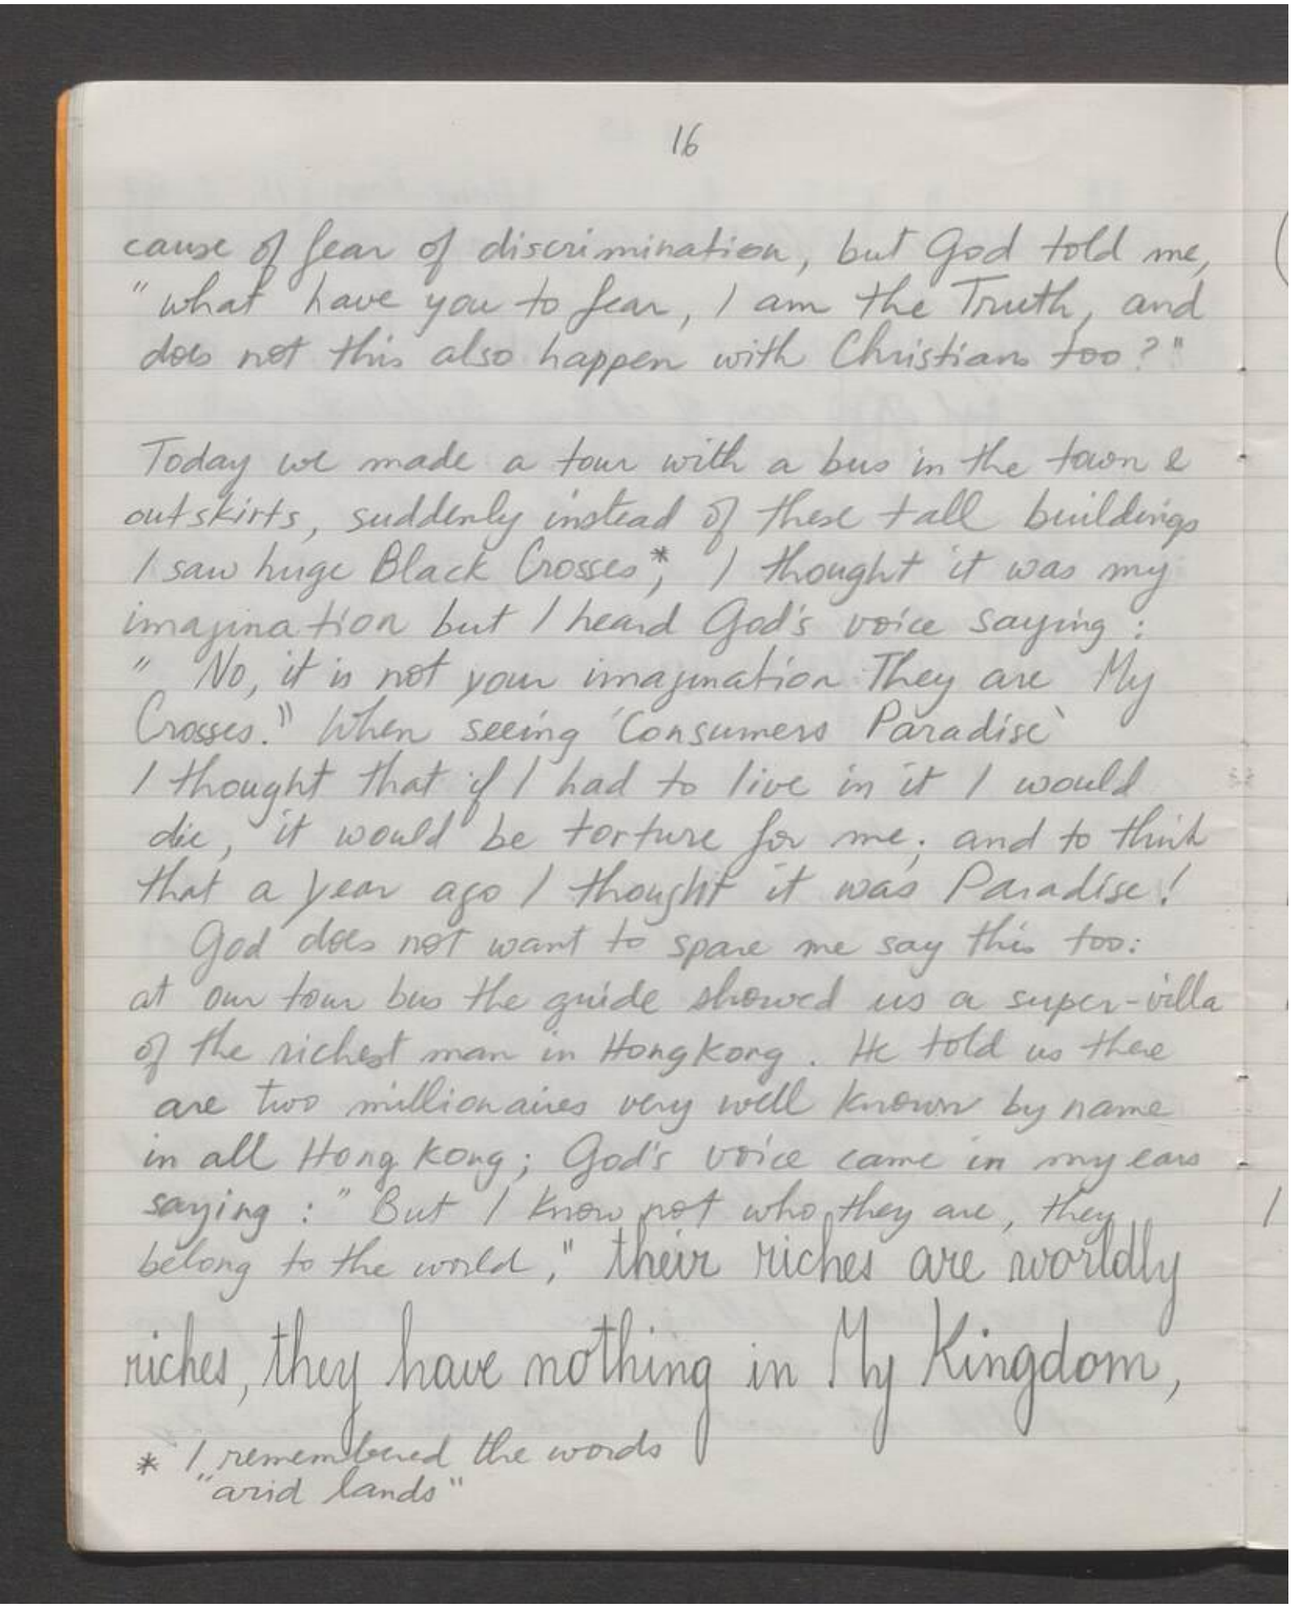
Then yesterday I flew to Hong Kong (for our holiday) while in transit in Bangkok something happened. I sat to read at transit hall at the end of a row of chairs. Suddenly in front of my feet an Arab threw a carpet, totally ignoring me, with 2 others behind him, and fell to the ground worshipping God. With quite a loud voice attracting much attention I felt awkward, as no one was sitting around me, I felt I was disturbing as I was face in front of them. I didn't move. Their voices rose higher and someone took a picture of the whole awkward scene, from behind me.

Later on God told me: "This man said his prayers loud enough; enough to attract a lot of attention, he was heard in transit, but in that hall only, the walls heard him, My Heart never heard a thing, all the words remained on his lips; nevertheless, I heard your voice inspite that no one heard you and no one knew what you were telling me, but it came from your heart not from your lips."

I did not want to write this down be-



16

cause of fear of discrimination, but God told me,
"what have you to fear, I am the Truth, and
does not this also happen with Christian too?"

Today we made a tour with a bus in the town &
outskirts, suddenly instead of these tall buildings
I saw huge Black Crosses,* I thought it was my
imagination but I heard God's voice saying:
"No, it is not your imagination They are My
Crosses." When seeing 'Consumers Paradise'
I thought that if I had to live in it I would
die, it would be torture for me, and to think
that a year ago I thought it was Paradise!
God does not want to spare me say this too:
at our tour bus the guide showed us a super-villa
of the richest man in Hongkong. He told us there
are two millionaires very well known by name
in all Hongkong; God's voice came in my ears
saying: "But I know not who they are, they
belong to the world," their riches are worldly
riches, they have nothing in My Kingdom,

* I remembered the words
"arid lands"

Dhaka, 17.6.87

Jesus I know You are using Father "X" a lot. First You used him to chase away evil* Then You used him as Your instrument of my torments, then You use him to deliver me the right books and recognize Your Supernatural Works and confirm that it is You in this approach. You also make me aware of my wretchedness and that You approached me in spite of my wickedness and having absolutely no merits for such graces given to me, comparing the saints, its obvious, do You understand then why the 'wave of doubt' comes? Just because of that; because of my unworthiness, remember, You taught me everything from scratch, and remember how I in the beginning denied You knowing its You? You see what I mean? When I have the 'wave of doubt' because of the reasons above, I know I'm offending You and hurting You as You said once " you hurt Me when you forget who saved you from darkness" on the other hand my mind almost reels to understand, why You come to a soul like me given a mission of such importance, to some one who had to start from scratch in Scripture a 150% sinner!

The more Your guidance goes on the more miracles

* The 1st 3 months, evil approached to discourage me from God's approach & chase me away.

I still keep in store a bigger desire!
Vassula you are beginning to feel it
because I am enlightening you to sense
what I desire, I love My creation bound-
lessly, My God if it is 'this' what You desire then
indeed Your Kingdom on earth will be as it is in Heaven!
little by little you will understand, Jesus?
(I felt helpless) (I told Him something) I know,
but have I not guided you so far?
visions I will give you and you will
write them down, be with your God
who suffers too!
